Please select this option.

The following window will appear, inviting you to select a destination folder. You have to remember this destination as you need it later to start the BatchNameCheck XS program.

×

~	Extract Compressed (Zipped) Folders	
	Select a Destination and Extract Files	
	Files will be extracted to this folder:	
	C:\BatchNameCheckXS	Browse
	⊡ Show extracted files when complete	
		Cancel

Push the **Extract** button and the files will be extracted to the destination folder.

Navigate to the destination folder and right-click the **NameCheck**.**exe** file (hold the Windows key during the action).

Select **Send** -> **Desktop** (create shortcut) menu item. The system will create a shortcut of BatchNameCheck XS on your desktop.

Double-click either the shortcut or the **Namecheck**.**exe** icon (in the directory) and the BatchNameCheck XS application will start.

The first screen will invite you to enter you name, your e-mail address and to read the licence agreement.
